5. Read the following text and identify in blue color sentences in simple past, and in Green color sentences in present perfect:

**Joaquín Archivaldo Guzmán Loera** born 4 April 1957 - , commonly known as "**El Chapo**" because of his 168 cm stature, is a Mexican drug lord and leader of the Sinaloa Cartel, an international crime syndicate. He has been considered the most powerful drug trafficker in the world.

Guzmán was born in Sinaloa and raised in a poor farming family. He endured physical abuse at the hands of his father, and also entered the drug trade through his father, helping him grow marijuana for local dealers during his early adulthood.

Guzmán began working with Héctor Luis Palma Salazar by the late 1970s, one of the nation's rising drug lords. He has helped Salazar map routes to move drugs through Sinaloa and into the United States for long time.

For long time Sinaloa cartel has produced mass cocaine, methamphetamine, marijuana, and heroin and for several years drugs have been distributed throughout the United States and Europe, the world's largest users. In the last ten years United States and Europe have received lots of Sinaloa Cartel drugs.

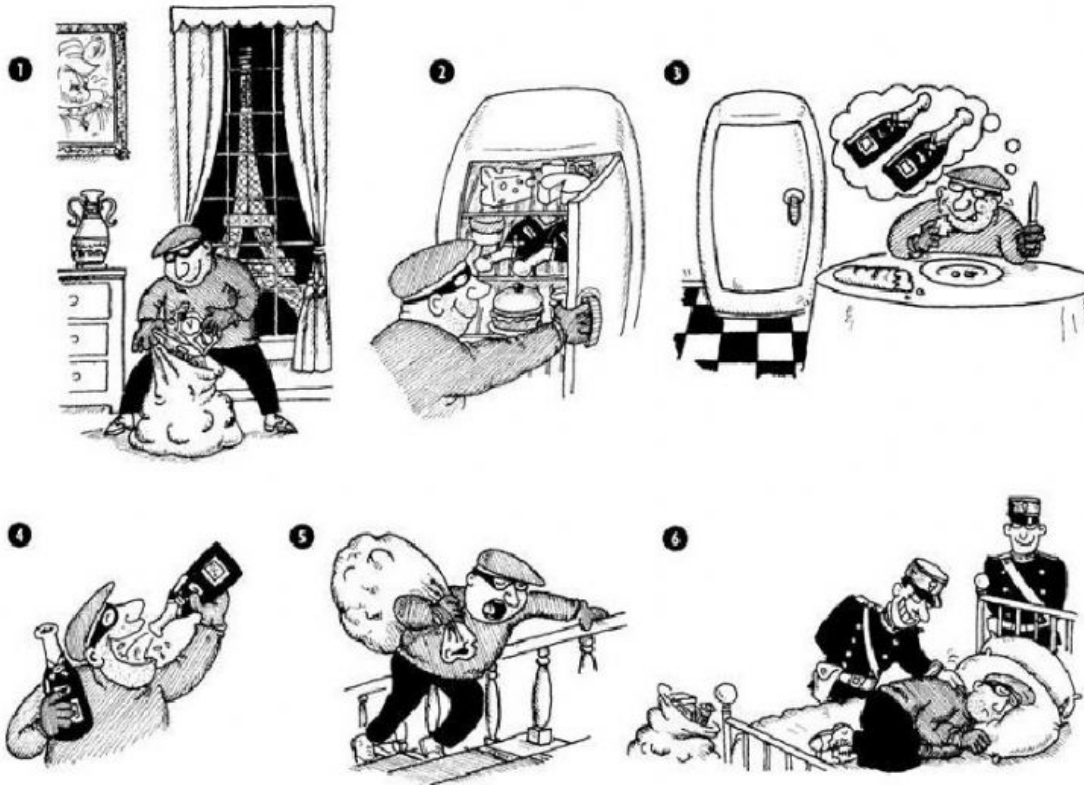

He achieved the distribution by long-range tunnels near borders and he exported more drugs to the United States than any other trafficker in history. Guzmán's leadership of the cartel also brought immense wealth and power; *Forbes* ranked him as one of the most powerful people in the world between 2009 and 2013, while the Drug Enforcement Administration (DEA) estimated that he matched the influence and wealth of Pablo Escobar.

Guzmán was first captured in 1993 in Guatemala and was extradited and sentenced to 20 years in prison in Mexico for murder and drug trafficking. He bribed prison guards and escaped from a federal maximum-security prison in 2001. His status as a fugitive resulted in an \$8.8 million combined reward from Mexico and the U.S.

He was arrested in Mexico in 2014. He escaped prior to formal sentencing in 2015, through a tunnel under his jail cell. Mexican authorities recaptured him following a shoot-out in 2016 and extradited him to the U.S. a year later. In 2019, he has found guilty of a number of criminal charges related to his leadership of the Sinaloa Cartel, and is currently serving a life sentence at [ADX Florence](#). He has been in prison for the last two years.

6. Write a funny crime story, use simple past tense and present perfect tense:

Look at the sequence. Write a short crime story using the vocabulary we worked in class.
